

MSC ASEAN User Conference 2019

Sponsor & Exhibition Prospectus

Visit us at - [MSCSoftware-Events.com](https://www.MSCSoftware-Events.com)

The MSC User Conference is among the largest flagship CAE events in the Indo-Pacific region, that attracts esteemed Executives, Business & Engineering Managers, CAE Industry Experts, Product Designers, Academicians & Partners from a wide spectrum of industries. Over the last decade, MSC User Conferences have focused on pertinent themes such as 'Materials to Systems' in 2017 & 'Simulating Reality' in 2018. This year, the conference will revolve around the topic 'Real to Real Time'.
